

Our Lady of Grace Newsletter

Sept to Dec 2025

Hello friends of Our Lady of Grace School,

We have a record number of students in the school this year and they are a delight! We had our most successful Lasagna Supper ever in September and our most successful yard sale ever in the fall as well (thanks to the Calhouns)!

We had our annual trek to Hall's Orchard in the fall. The children loved it!

We had a wonderful celebration for All Saints Day with six students winning prizes for best costume and story.

The Knights of Columbus donated the profits from their November 9th Breakfast to us, which is a huge amount of work for them. Our students looked beautiful in their uniforms and charmed everyone.

We have already started practicing for the concert, which always causes so much excitement.

We are looking forward to the Bishop's visit December 12th.

We again have been blessed these past months to have Fr Harris say Mass weekly for us.

Academically all our students are doing so well. We have never allowed students to have cell phones in the school, so they are an extremely social bunch and have an enormous amount of fun playing on the playground.

On November 28th we had the most beautiful visit from two Religious Sisters of Mercy, Sister Marie Therese and Sister Gianna Mary, both daughters of our teacher, Mrs. Savidge. The children were enthralled with these amazing women and their message of love for God and service to all, especially the poor.

And finally, we want to express our thanks to our volunteers, both new and long-term who add so much to our school. They are a tremendous gift to us.
